

AZSACC Tech Session

Date: Saturday, May 28th 2022

Time: 8:00 AM

**Location: Bob Templeton's Garage
3230 N. Colorado St., Chandler**

**Agenda: 8:00 - 8:30 - Coffee and donuts
8:30 - 8:45 - Club Meeting
8:45 - 10:30 - Tech Session - Show & Tell or Sell**

Join us for a show and tell and if you want, sell. We all have ordered a part for our Solid Axle Corvette that we thought we absolutely needed and as it turns out, we didn't. So, now we have these extra parts that we don't need and this will be a good time to do a little show and tell and maybe find a new home for that precious, abandoned, new or used part and have fun doing it.

Hope to see you on Saturday, May 28th.
Be sure to wear your club name tag and bring a chair.

**Please RSVP by May 25 to John Marsh,
